Mr. Chacon,

Keith Ingram forwarded the information you sent for the EIC mobile stations to be placed in El Paso next week. (I am serving as the agency's liaison with DPS for this particular project.)

The DPS employees assigned to the sites that you provided stated that, after investigation, the Nolan Richardson Recreation Center (10/7), the Seville Recreation Center (10/7), the Rae Gilmore Recreation Center (10/8), and the San Juan Recreation Center (10/9) were told that they would be open from 1 p.m. to 9 p.m. However, on the attached information you provided, the statement is clear that "All Mobile Stations will be available October 7 through October 9 from 9:00 a.m. to 4:00 p.m." Would you be able to clear up this confusion for myself and DPS? I would certainly appreciate it.

If you are interested in having locations open during non-business hours, we would be willing to work with DPS to see if that is possible. (There are some logistical and staffing concerns that we have to work through with DPS.) I'm happy to provide more information or discuss this with you at your convenience.

Sincerely,
Wroe Jackson
